

The Department of English and Comparative Literary Studies

The Organising Committee invites you to participate in this now **two-day event**. This is a fantastic opportunity for **PhD, MPhil** and – for the first-time ever – **MA** students alike, to gain conference experience in a friendly setting, with invaluable feedback from your peers and members of staff.

There is no theme for the conference and papers on any and all topics will be considered. Papers should be **15-20 mins** in length and will be organised into panels chaired by a member of the academic staff.

MA students may submit a course essay already submitted or a dissertation chapter. They may, of course, embark upon a new project.
