

REMARKABLE THINGS: THE AGENCY OF OBJECTHOOD AND THE POWER OF MATERIALITY

Interdisciplinary conference exploring objects which have, or are perceived to have, inherent 'power' or mobility - from religious relics to biological specimens, *materia medica* to jewellery

Saturday 10th March 2018
The University of Warwick

Keynote Speakers:

Professor Patricia Spyer
(The Graduate Institute, Geneva)

Dr Lambros Malafouris
(Oxford University)
