

Conference on Dynamics of Rational Maps on the Riemann Sphere 22-24 March 2010

(partly sponsored by the Marie-Curie Research Training Network CODY)

Organisers: Davoud Cheraghi and Sebastian van Strien (Warwick)

The conference will cover different aspects of the dynamics of rational maps on the Riemann sphere. There is financial support for a limited number of participants. If you would like to participate in the event, please register as soon as possible.

Registration for the workshop is free and is now open on the following page:
