

International Symposium on Design for Wellbeing
in the Built Environment

SPACE FOR THOUGHT: LOOKING BACK TO MOVE FORWARD

9/10 March 2014

Scarman House Conference Centre
University of Warwick

PROGRAMME

9th March 2014

DAY 1 – Sunday 9th March

15:00 **Registration and Refreshments**

**NB: Scarman will not open before 3pm.
If early, you may wish to go to the Warwick Arts Centre for refreshments.**

17:00-19:00 **Introductory Presentations**

Five minute presentations to showcase/introduce participants' work, answering the following questions :

- showcase/introduce your work, and you should answer the following questions:
- what aspects of wellbeing are you interested in
- what aspects of the built environment have you studied
- what methods have you used?

19:00 **Dinner and Entertainment - live band 1940's swing music**

International Symposium on Design for Wellbeing in the Built Environment

SPACE FOR THOUGHT:
LOOKING BACK TO MOVE FORWARD

PROGRAMME

10th March 2014

DAY 2 – Monday 10th March

8:00-9:15 Registration and Refreshments

9:30-9:40 Welcome

Professor Gillian Hundt
Division of Health Sciences, Warwick Medical School, University of Warwick

9:40-10:40 Legacy Lecture Screening

Professor Libby Burton
Professor of Sustainable Building Design and Wellbeing, School of Engineering and Warwick Medical School

This will introduce the topic and present Professor Libby Burton's vision for the future

10:40-11:00 Refreshment break

11:00-12:20 Wellbeing: what are our goals?

Seminar/discussion on what we mean by 'wellbeing' when it comes to the built environment and what we should be trying to achieve?

Split into groups to discuss, then report back and start to build a consensus (through facilitators)

12:20-13:20 Lunch break

13:20-14:40 Methodology: what is the gold standard for research in this field?

Are there new methods we should be trying?

Split into groups to discuss, then report back and start to build a consensus (through facilitators)

14:40-16:00 Putting it into practice: how to promote design for wellbeing in the built environment

Split into groups to discuss, then report back and start to build a consensus (through facilitators)

16:00-16:30 Refreshment break

16:30-18:00 What do we know and what do we still need to investigate? Directions for the future

Split into groups to discuss, then report back and start to build a consensus (through facilitators)

18:00 Welcome

Professor Ann Caesar
Pro-Vice Chancellor, University of Warwick

Dinner and entertainment - live band 1940's swing music

10th March 2014
Scarman House, University of Warwick
