

Terms of reference of the Oversight Committee

- (1) To receive, discuss and act upon the review of operation of the Facility as prepared by the Local Management Team.
- (2) To receive and discuss the review from the user community (as presented by the representative) of the Facility and its management by the Facility Executive.
- (3) To receive, discuss and audit the annual report on KPIs.
- (4) To receive and discuss feedback from the funding councils, notably via the EPSRC Capital Equipment Strategic Advisory Team.
- (5) To provide recommendation on best practice to the Facility Executive for their action.
- (6) To discuss with the Facility Executive further strategic developments for Facility instrumentation and operation.

Last revised at the Oversight Committee of 1-4-22
