

Superconductivity and Magnetism Group - Access to Laboratories

Name _____

Supervisors Name _____

I have read and understood the Physics Department Health and Safety Regulations. <http://www2.warwick.ac.uk/fac/sci/physics/intranet/heathandsafety>

I have carried out a Supervisor approved risk assessment associated with my work in these laboratories and received and successfully completed any training required.

Laboratory Room Number	Signature	Date	Supervisors Signature	Date
122				
124				
125				
127				
128				
130				
164				

Please return an original completed form along with a copy of your completed risk assessment to the Laboratory Head. Please retain a copy for your records.
