

ELECTROANALYTICAL CHEMISTRY WORKSHOP

PROGRAMME

Venue: MOAC, 2nd Floor, Coventry House

Thursday 16th September

- 12.00** Lunch and registration
- 14.00** Professor Alan Bond, Monash University, Australia – Electrochemistry in ionic liquids
- 15.00** Dr Danny O'Hare, Imperial College – Life Sciences Applications
- 16.00** Break and networking
- 16.20** Professor Rob Dryfe, University of Manchester – Electrochemistry at Liquid/Liquid Interfaces
- 18.00** Graduate Poster Session
- 19.30** Dinner

Friday 17th September

- 9.15** Arrival
- 9.30** Professor Hubert Girault, EPFL Lausanne, Switzerland – Electrochemical mass spectrometry
- 10.30** Professor Mark Dowsett, University of Warwick – Synchrotron spectro-electrochemistry
- 11.30** Break
- 11.50** Professor Julie Macpherson, University of Warwick – New forms of carbon in electrochemistry
- 12.50** Lunch and networking
- 14.00** Dr Chris Slevin – Electrochemistry beyond graduate school: Alere Technologies
- 14.30** Dr Andy Wain – Electrochemistry beyond graduate school – National Physical Laboratory
