# MA Drama Education and English Language Teaching

Combining recent developments in drama education, second language acquisition and ELT methodologies

**Centre for Education Studies**

## You will...

- ▶ Explore drama as a key way of promoting learning and language acquisition
- ▶ Study across the Centre for Education Studies and Centre for Applied Linguistics
- ▶ Learn how to set up supportive and non-threatening drama classes
- ▶ Develop confidence and motivation in using English in a wide variety of ways
- ▶ Receive a solid grounding in drama techniques and approaches

---

“Various activities offered throughout the academic year, such as performances and workshops held in local schools, additional drama workshops and theatre visits, have offered me another opportunity for implementing the principles met during the course”
