

MindGrad₂₀₀₉

University of Warwick Graduate Conference in the Philosophy of Mind
Saturday 5th–Sunday 6th December 2009

Call for Papers

Papers are invited from graduate students working in any area or tradition within the philosophy of mind, including related topics in metaphysics, epistemology and the philosophy of psychology.

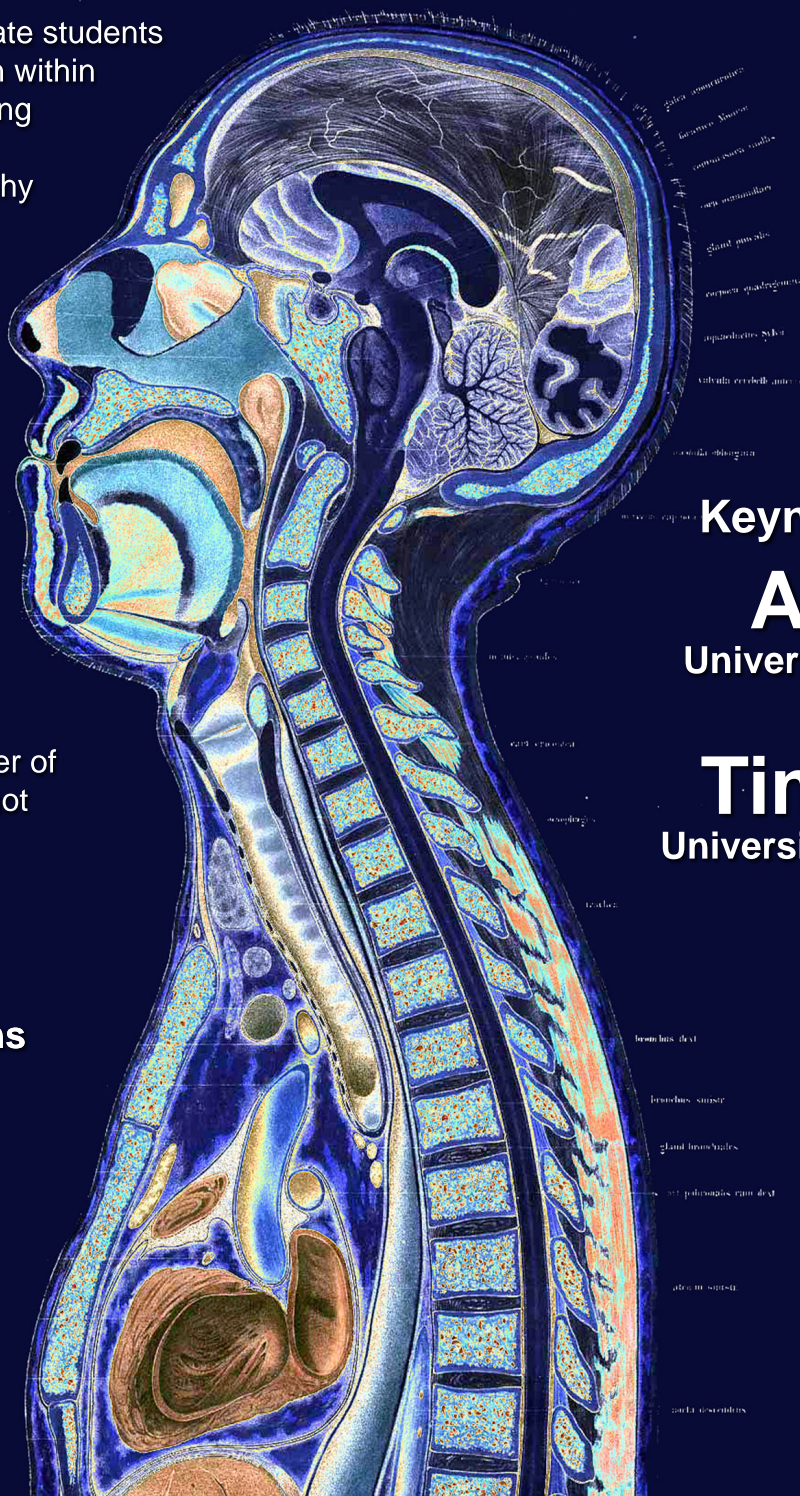

Submissions should be:

- Suitable for presentation in 30–40 minutes (3,000–4,500 words)
- Prepared for blind review including a separate cover sheet with title, abstract and contact details

Financial support for graduate speakers (plus a limited number of applicants whose papers are not accepted) will be available.
