

Eco-product Suppliers' Fair

The Purchasing Department and Environmental Department in Estates have teamed up to offer staff and students the opportunity to meet the University suppliers who offer environmental and recycled products as well as giving an opportunity to discuss the services they offer and their environmental practices.

The event will take place:

MONDAY 26th NOVEMBER 2007

11.00 am to 3.00 pm.

PANORAMA SUITE, Rootes Social Building

Presentations will take place during the day to talk about and promote the University environmental policy, how departments and individuals can contribute as well as suppliers talking about their policies and how they contribute to the University.

As well as talks taking place there will be information about the University's environment to learn about.

This invitation is open to all staff and students.

Come and join us for this informative day with a buffet lunch included!

To register your interest please complete the slip below or for more information, please contact, **Claire Faulkner** in the Purchasing Office on Extension. **74577** or email **c.i.faulkner@warwick.ac.uk**

We look forward to welcoming you.
