

Terms and conditions of the Initial Teacher Training bursary scheme 2023/24

The Department for Education (DfE) has arranged for the University of Warwick (the University) to determine eligibility for and make payment of bursaries, where applicable, on behalf of the DfE to Initial Teacher Training (ITT) students. The terms and conditions referred to and summarised here are the terms and conditions that DfE requires the University to apply to applicants.

Eligibility

In order to be eligible to receive a DfE bursary or scholarship through the University you must:

- be eligible to receive student support from the UK government for your PGCE course* (this does not apply to Physics and Languages trainees).
- hold a UK first degree or equivalent.
- be taking a qualifying postgraduate ITT course in England.
- not be in possession of, or eligible for, Qualified Teacher Status (QTS).
- not be undertaking paid teaching work which contributes to your training when in receipt of the bursary or scholarship.
- not be simultaneously undertaking any other ITT course, training scheme or programme that leads to QTS.
- agree to comply with the terms and conditions of the bursary scheme.
- agree to notify the University promptly of any changes to your bank account and address details.
- agree to notify the University promptly if you intend to withdraw from your course temporarily or permanently.
- agree to seek a teaching post in England upon successful completion of your course.
- agree to repay any funds which you were not eligible to receive if you withdraw from the University (this applies to University-initiated withdrawals as well as student-initiated withdrawals).

***For students not training to teach Physics or Languages, you need to provide evidence that you are entitled to student support (tuition fee and maintenance loans) for your PGCE course before we can determine your bursary or scholarship entitlement. This evidence is required even if you do not wish to take out either of the loans. You can apply for student support at www.gov.uk/student-finance (if you are not taking out the loans you need to enter £0 as the loan amount/s).**

If you have been recommended for a teacher training scholarship it is your responsibility to forward evidence of the award to ittbursary@warwick.ac.uk.

Payments

The bursary or scholarship will be paid in 10 equal monthly instalments from 5th October 2023 to 5th July 2024 according to the payment schedule below set by DfE.
