PERSONAL PROFILE

A highly motivated forward-thinker with a passion for innovation and creative change in education. High standards and persistence to achieve the best, twinned with a realism and positivity that allow me to achieve. Keen to use my initiative and analytical approach to problem-solving in order to create a better experience for learners.

EDUCATION

- | | |
|-----------|--|
| JUNE 2014 | Bsc in MATHEMATICS WITH INTERCALATED YEAR
<i>Strong First in first two years</i> , The University of Warwick
Relevant modules: Maths by Computer (MatLab course) 90%; Introduction to Secondary Mathematics Education 68% |
| JUNE 2013 | Erasmus Year at Universidad de Sevilla, Spain
Studied mathematics in Spanish along with Spanish, German and Japanese modules. I relished the challenge of integrating myself into a new culture: living, building relationships and learning in an entirely foreign environment (and language) and rose to the challenge, excelling academically and achieving best in class in many of my modules. |
| JUNE 2010 | A' Levels at Landau Forte College
Mathematics (A*), Further Mathematics (A*), Spanish (A), German (A) |

RELEVANT EXPERIENCE

- | | |
|------------------|--|
| Oct 2013–Current | Analysis Peer Tutor WARWICK UNIVERSITY, Coventry <ul style="list-style-type: none">• Teach and support first year undergraduates in Analysis classes• Formulate alternative ways of explaining abstract concepts with which they struggle |
| Jul–Sept 2012 | Mathematics Teacher at KWABHEKILANGA SCHOOL, Alexandra Township, Johannesburg <ul style="list-style-type: none">• Collaborated with staff at this impoverished school to implement an innovative new approach to teaching• Utilised formative assessment, exciting educational games and activities to engage every single learner in the class• Adapted in order to deliver quality education in extremely challenging situations• Imaginative and immediate problem-solving to overcome obstacles |
| Mar 2012 | Stand Assistant for Institute of Mathematics and its Applications at BIG BANG FAIR, The NEC, Birmingham <ul style="list-style-type: none">• Engaged and inspired young people with hands-on mathematical activities• Communicated and explained the real-world applications of our exhibits |

Jan–Mar 2012 Teaching Assistant at PRESIDENT KENNEDY SCHOOL, Coventry

- Worked with various different staff members and classes including SEN
- Took small groups or individuals out of the class to spend some time focusing on certain topics
- Gave presentations about a variety of mathematical topics

Jul–Sep 2012 Spanish Interpreter at PROGRESSIO, El Salvador

- Facilitated my team’s language learning. Took on this role with enthusiasm, implementing my own new initiatives such as daily vocab lists and continuous goal-setting for everyone
- Integrated into the work of a local NGO under the ICS programme
- Responsible for translating all negotiations between my team of 5 and our colleagues in the NGO and local community
- Sensitive and professional when mediating disagreements

ADDITIONAL EXPERIENCE

Oct 2013–Current Art Gallery Steward at MEAD GALLERY, Warwick Arts Centre, Coventry

- Supervise exhibitions, welcoming patrons, assisting them with anything they need
- Educate and share my enthusiasm about the visual arts with members of the public

Aug–Sep 2013 Steward with OXFAM STEWARDING at Reading Festival

- Monitored specific stage areas, enforced health and safety regulations and looked after vulnerable adults and children
- Showed compassion, respected customer views and diffused conflict situations
