

ABOUT SHAPING SUCCESS

The Skills and Education Group is working with the Education and Training Foundation, and other delivery partners, to reshape and revamp the current maths and English pipeline offer – Shaping Success.

The Shaping Success programme offers specific, targeted courses to enhance personal skills and teaching approaches in maths and English. The courses offer a fully flexible range of delivery, including full and half-day courses, twilight sessions and introductory webinars.

Whether you're looking to develop effective practice, assessment and tracking, increase use of digital media or coaching techniques to increase learner resilience, we have a course for you.

SHAPING THE SUCCESS OF OUR LEARNERS STARTS WITH THE SUCCESS OF OUR TEACHERS.

**EDUCATION & TRAINING
FOUNDATION**

These courses can be run for:

Colleges, independent training providers, adult community learning providers, the third sector and secure estates.

Fully customised & flexible courses:

Delivered by a bank of maths and English professionals, that can be adapted to suit you.

Maximise progress at Entry Level (maths & English)

Entry Level courses are essential to motivate and provide learners with a firm foundation to study at higher levels in Functional Skills or progress to GCSE. The practical ideas suggested will be suitable for all exam boards and delegates will gain new and creative ideas on choosing options and developing an innovative curriculum to motivate learners in developing literacy skills further.

Who is this course for?

This course is aimed at teachers and managers of maths and English who teach or intend to teach learners at Entry Levels.

Training Aim

To support practitioners to raise learner achievement and maximise progress at Entry Level in maths and English Functional Skills.

One day course

Entry requirements:
The course is aimed at teachers and managers of maths and English, who teach or intend to teach learners at Entry Level

Motivate your learners

Outcomes

You will be able to:

- understand the key requirements of Entry Level maths and English
- employ a range of engaging and motivating Entry Level tasks
- critique a range of learning opportunities to create appropriate challenges for all Entry Level students
- utilise a range of different assessment and feedback strategies.

Length of course

The course consists of a one day face-to-face training session with plenty of ideas for further development and signposting to additional helpful resources.
